Job Statement.

Find new novels to read in my leisure time.

desired outcome

functional job

emotional job

social job
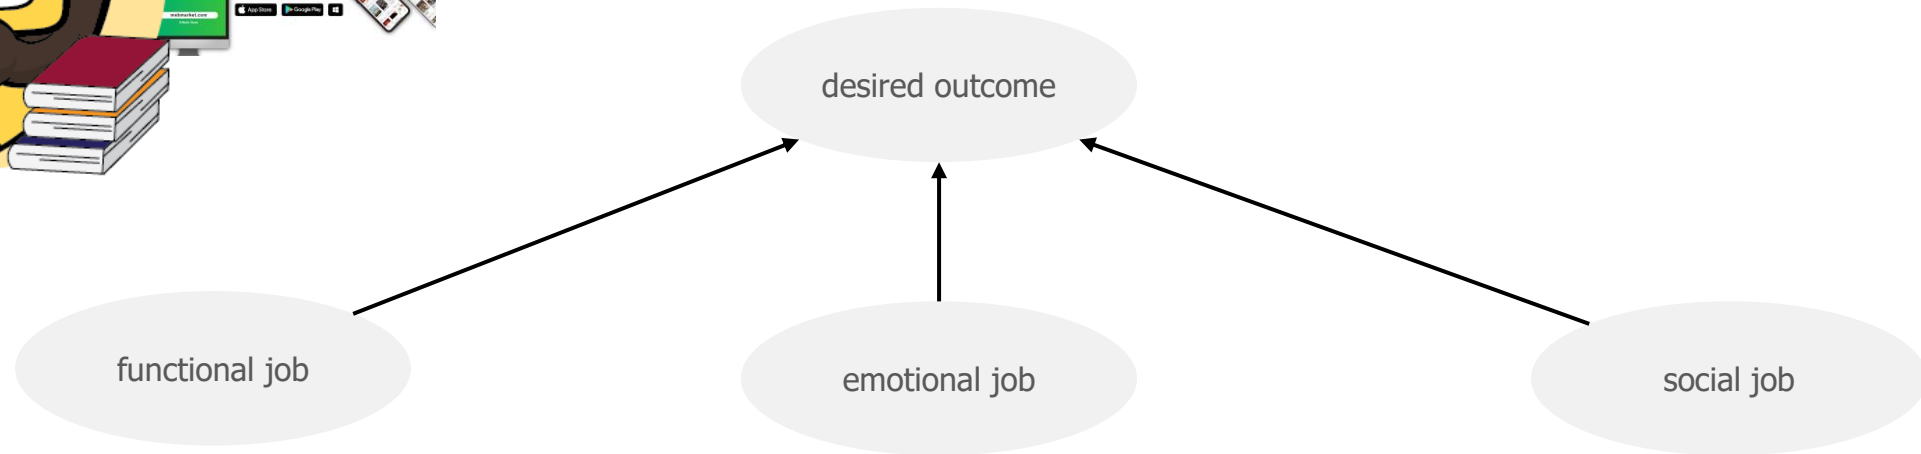

- Be able to suggest the novel that I prefer.
- Prioritize top 10 novels that I might select from my history.
- Minimize the time it takes to change the screen size and screen background mode.
- Minimize the time it takes to jump to where I left off.

- Minimize the time it takes to discover new novels that are similar to novel that I like.

- Minimize the likelihood that I miss a contact from my social media.
- Minimize the time it takes to share and review my favorite novels to others.
